SPECIALIST SPOTLIGHT

meet

DR. JAMES FRENCHER RADIOLOGY

Dr. Frencher is August's specialist of the month because of the high-quality advice he provides through his eConsults!

Dr. Frencher has been practicing medicine for 6 years and doing eConsults for 1 year. He attended medical school at University of Illinois and did his residency at UC San Francisco. He believes that the major benefit of eConsult is that it provides fast consultation recommendations to primary care providers in a variety of specialties, expanding access to specialty care, and decreasing times to access to specialty treatment.

Fun Facts about Dr. Frencher:

- He loves weightlifting and cooking.
- His medical interests are cancer metabolism and oncologic imaging.

ANNOUNCEMENTS:

Workflow Engineers Joe DeMassimo and Cassandra Romero trained the clinics of Manikanda Raja MD, Moreno Valley Family Health Center, Clinica Medical Del Valle (2), and Pomona Community Health Center in eConsult this month. Welcome Aboard!
