## MCEI Newsletter

MCeI: Access to Information. Access to Care.

### **Specialist Spotlight**

Dr. Edmund Ko - Urology

This month, we have selected Dr. Edmund Ko for his rapid response time and high quality eConsults! He attended medical school at Loma Linda University and completed his residency at the Mayo Clinic.

Dr. Ko has been practicing urology for 9 years and has been with the eConsult program for 2.5 years. He believes that the major benefits of eConsult include direct communication between PCPs and specialists and improved patient access to specialty care and appropriate testing.

In his free time, Dr. Ko averages running 100 to 130 miles per month! He has completed 16 marathons and is currently training for an ultramarathon. Keep up the exceptional work Dr. Ko!

### **Announcements:**

- Workflow Engineer Joe DeMassimo trained the James Ruppert Clinic and Riverside Family Physicians in eConsult this month!
- If any providers or staff at your clinic need to be trained, please reach out to Joe DeMassimo at DeMassimo-J@iehp.org

### **Your Month In Review**

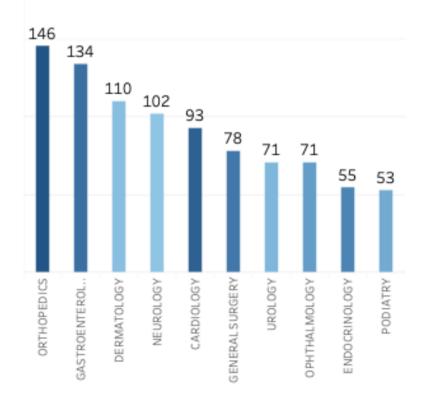

#### **IEHP Care Coordination**

Your efforts are improving patients' timely access to appropriate health care! IEHP physicians received specialists' recommendations remotely. **Allergy and Immunology** services resolved the most eConsults without the need for a face-to-face specialty visit.

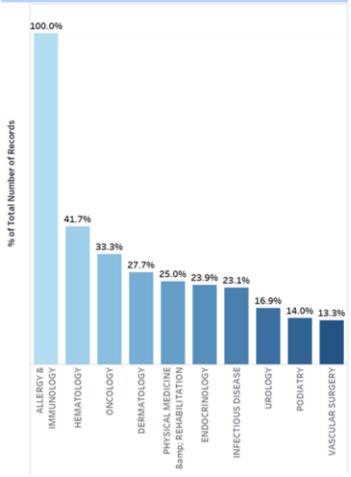

Primary care physicians and providers across **94 IEHP** clinic sites coordinated with specialists by eConsult this month. As a result, IEHP PCPs were able to serve **1,417 patients** through access to specialty recommendations or care via MCEI.

Additionally, PCPs provided specialty recommendations and follow-up care plans for **66 eConsults**, which were resolved without the need for a specialty visit.

There have been a total of 85,861 eConsults since the program's start date.

### This week's tip:

#### Please apply close codes!

#### Close code highlights:

- 1) Pending diagnostics: please select this close code if you are waiting on diagnostic tests for the patient.
- 2) Pending therapeutic trial: please select this close code when you make a treatment recommendation for the patient. If the treatment is ineffective you may reopen the chat.
- 3) Specialty change: if you consult with a specialist and decide that another specialty is more appropriate, please select this code.

#### December Webinar: Dr. Murakami

This month, Dr. Carol Murakami, MD presented on the evolution of Abnormal Liver Chemistries for Primary Care Providers. She is a gastroenterology specialist with over 35 years of experience in the medical field, and primarily focuses on Liver Disease, Esophageal Disorders, and Gastrointestinal Disorders. Dr. Murakami graduated from Loyola U, School of Medicine medical school in 1985.

We are always looking for speakers to present an engaging, didactic, and timely topic to other primary care providers in the MCel. If you are interested in learning more about a speaking opportunity, please reach out to Sarah Taquet at Taquet-S@iehp.org
