SPECIALIST SPOTLIGHT

meet

DR. JUSTINA TSENG

RHEUMATOLOGY

Dr. Tseng is November's specialist of the month because of the high-quality advice she provides through her eConsults!

Dr. Tseng has been practicing medicine for 17 years and doing eConsults for 1 year. She attended medical school at Boston University School of Medicine and did her residency at McGaw Medical Center of Northwestern University. She believes that the major benefits of eConsult is that it is an invaluable tool for patient care, access to care, practicing medicine in a collaborative way, and bringing back the joy of medicine through the sharing of knowledge and wisdom.

Fun Facts about Dr. Tseng:

- She loves collecting honey from around the world.
- Her medical interest is how medicine for the soul has its applications in today's modern medicine terrain.
