SPECIALIST SPOTLIGHT

meet
DR. SARAH KIM
RHEUMATOLOGY

Dr. Kim is October's specialist of the month because of the high-quality advice she provides through her eConsults!

Dr. Kim has been practicing medicine for 12 years and doing eConsults for 1.5 years. She attended medical school at University of Chicago School of Medicine and did her residency at UCLA (a Rheumatology fellowship). She believes that the major benefit of eConsult is that they increase efficiency of care and access to sub-specialty care. She thinks that remote medicine is an exciting field and is happy to be a part of it!

Fun Facts about Dr. Kim:

- She started competing in swim meets last year and her goal is to master the butterfly stroke.
